I tried to keep this dance smooth, to match the song....hope it works for you.

It’s not an easy dance, but it’s not hard either…. More like in the story of the three bears

where baby bears porridge is not too hot and not too cold, but just right….

If you are not old enough to know this fairy story that we all knew as kids,

then I feel sorry for you… we had the best childhood back then.

The dance was written for my Dundedin, New Zealand, workshop and I thank

Lorna Williams for sending me this lovely song.

Bet we all have some lovely SUMMER MEMORIES…. I know I do anyhow..

It’s a funny thing, but the older you get, the more memories you seem to have… lol

See you on the floor sometimes…. Hopefully… Jan
