& Step right beside left  
32 Step left forward  
& Pop right knee forward (weight on the left)

**REPEAT**

## **OPTION**

### **STEPS 9&10&: MAD MAN**

**Cross legs over as you sit down. As you straighten up unwind full turn. (this step is hard going on your legs so do only once or twice in the dance. Try not to let your knee hit the floor. Drop to one knee and come up again, then the other to practice. After that put the turn in. We wish all good luck with this step.**
