

WALK ON

LINEDANCE.COM

Count: — **Wall:** — **Level:** —

Choreographer: Dan Morrison

Music: Walk On by Reba McEntire

Sequence: AA, BB, AB, C, BB

Every time the chorus begins with the words "walk on" I have designed the dance so that we are walking forward. Because of a beat change about 3/4 of the way through the song, I omitted the 1/4 turns from the dance (see notation after the 78th step). Don't let the number of steps mislead you. This is a very simple dance and could be taught at the beginner level.
