- 5-8 Stomp left next to right (don't change weight), stomp left in place (changing weight), kick right forward, step right next to left

REPEAT

This is an old classic dance and is a regional variation that was danced in the Atlanta area. As with many of the older dances that are choreographer unknowns, there will be many variations and odd counts, but they always seem to work. This dance is no exception. Try it, and I think you'll agree that it is exciting and fun, and it seems to recapture a little of that old feeling.
