- 1&2 Step right foot to right side, step left foot beside right, step right foot to right side
- 3-4 Rock back onto left foot, rock forward onto right foot
- 5&6 Step left foot to left side, step right foot to left side, step left foot to left side
- 7-8 Rock back onto right foot, rock forward onto left foot

To add a little bit more style to the dance try walking forward for 4 counts starting on the right foot when you are doing the last 4 beats of the hand movements. This means that you will be standing still again on the first 4 beats of hand movements.
