This has been another one of those dances which has been a long time coming.

I thought it would be hard to write because the music was so badly phrased, but it proved to be easier than I had envisaged and I enjoyed doing it.

It could have done with a few tags here and there, but it didn't seem too bad without them - so I left them out....just so I wouldn't have to listen to the moans and groans that go hand in hand with tags (-:

Hope you will enjoy the dance and I know you will love the music because it is a beautiful song and Jann Browne does it full justice!!!!

If it's too hard try "Easy Waltz Of The Wind", it's on my website

See you on the floor sometime.....Jan
