OPTION 1

On Counts 17-24 gentleman holds lady's right hand and turns her to the right. She turns using same cha-cha style step. Since the steps remain the same, these directions are only for other body movements.

- 17-18 Gentleman leads lady's right arm slightly forward.
- 19-20 Gentleman leads lady's right arm backward, her left arm forward, and both their upper bodies twist slightly to the right
- 21-22 Gentleman leads the lady into a full turn to the right using their right hands
- 23-24 Both partners can do the last set of cha-cha steps forward, re-grasping the left hands and resuming the promenade position, or if necessary, the lady can still be finishing her turn

OPTION 2

Lady moves from right to left in front of the gentleman on the first two cha-cha sets (without turning) and can do the dance on his left side as a variation. When the lady has performed Option 2, she returns using two cha-cha steps to the right and can continue the dance in the normal promenade position.

OPTION 3

Substitute a right heel touch for Counts 1 and 3.
