TAG: WALL 5, 4 counts

After wall 4, there is a 4 count break in the music during which you can freestyle to mark the 4 counts. It happens approx. 1:10 into the song. I like to shake my hips.

After 4 counts freestyling, start the choreography from the top.

RESTART: WALL 11, COUNT 8

Only do 8 counts of the choreography on the 11th wall before starting from the top, approx. 2:49 into the song
