On Wall 10 [12.00] Dance up to Count 8 S:1 then Restart from the beginning.

#Note: I wrote this dance for my absolute beginners who love country music, there really should not be any Tags or Restarts for absolute beginner dances. However, using this music, the dance works out really well for both the Restarts to fall on the front wall both times. Therefore, they are able to see clearly following the instructor each time.

Hope you all like it, Cheers Celia
