When that day comes and he takes me Large right step diagonally right fwd, slide left

To his throne on that mountain ... Large left step diagonally left fwd, slide right

He'll say welcome home son... Large right step diagonally right back, slide left

you're family ... Large left step diagonally left back, slide right

And I'll turn around and I'll look out ... Rolling vine to right

On his heaven of millions ... Rolling vine to left

On a sea of black sheep just like me ... Large right step fwd, Large left step back

Right cross over left, unwind full turn left on lyrics « oh oh oh » at the end!
