Begin Again

Restarts - Walls 3 and 6 there is a restart after 32 counts. On wall 4 there is a slight step change to start the dance again.

This happens near the end of the dance on wall 4. After the right heel grind, (42 counts), instead of the coaster step (3&4), simply rock back onto the right and recover the weight onto the left (3,4) and then start the dance again.

The way in which the dance is choreographed and the length of the music, actually makes this Something's Started a 3 Wall dance.
