TAG: The following 16 count tag occurs at the start of wall 5 (facing 12 o'clock, at 1 minute 36 seconds into the track). The tag also occurs at the start of wall 12 (facing 3 o'clock, at 4 mins into the track) but is very near the end of the track so I have omitted it. By omitting this 2nd tag it also means that the dance ends facing 12 o'clock (rather than 6 o'clock) which I think is desirable:
