RESTART WITH STEP CHANGE: Start Wall 3 facing 6:00. Dance 15 counts (through the shuffle half turn) then change count 16 from hold to "Step L fwd". Restart with Wall 4 facing 12:00.

Note: The song has a fast tempo of 198 bpm. I created this dance with plenty of holds so that it is a pace that all levels can enjoy. I could have written the same steps as a 16-count dance, but it would have included many "&" counts. Hopefully the stepsheet is easier to read as written above.

Hope you have fun!
