- & Step weight on ball of right
- 8 Step weight back on to left
- & Turn $\frac{1}{4}$ left with first step of right vine

REPEAT

There is a tag on the 6th wall of this dance. After count 53 (Stomp left Forward 45 degrees left), change count 54 from Stomp right to right to touch right beside left, then ignore counts 55 & 56 going straight to 57 to end of dance. This only happens once on the sixed wall to accommodate a change in beat.
