**On the second wall, starts facing 6:00. After 16 counts restart facing 9:00**

**On the fourth wall, starts facing 3:00. After 16 counts restart facing 6:00**

**Due to the first restart on the second wall you will start the third wall facing 9:00 and the fourth wall starts facing 3:00.**

**All the other walls start facing either the front or the back wall. Which makes it a two wall dance that starts at all four walls.**
