LINEDANCE.COM

Count: 32 **Wall:** 4 **Level:** Beginner

Choreographer: ilona tessmer-willis (USA) Jan. 2016

Music: "Baby I Love you", by Ronettes (Google Play • iTunes • AmazonMP3) Minutes 2:48 - BPM: 114

Note: this dance is written as a social Cha Cha, 1 2 3&4 5 6 7&8 which is popular in line dance and easier for beginner dancers;

Have had fun trying out different Cha Cha tunes to this dance, for example: "Do You Want To Know A Secret" by Beatles or "Smooth" by Santana

Country song suggestions:

"Beat Of The Music", by Brett Eldredge

"One More Drinkin' Song" by Jerrod Niemann

"Lonely Eyes", by Chris Young

"Follow Me", by Uncle Cracker

Beginners tend to take large steps & aren't always sure which foot has the weight; it helps to remind them to take "smaller steps" and "remember weight is on the—" . It leads to less frustration as they learn it takes a bit of practice & patience, (which is why I choose this slower tune).

Fun fact: Cha Cha rhythm developed from the Danzon (Cuba) which syncopated the 4th beat to match the steps with the beat of the music.
