- 5 - 8            Step left to side, step right behind left, step left to side, cross right over left

## REPEAT

**Optional ending to end the dance perfectly with the last note of music:**

**You'll be facing the back wall as the songs ends preparing to do a right vine on count 25. Just slide to the right instead & Hold.**

**This dance will go out of phase in the middle but remains very danceable throughout and comes back in phase toward the end eliminating the need for tags or restarts.**

**All Rights Reserved.**

**This Step Sheet may not be altered in any way without the written permission of the Choreographer.**
