## REPEAT

## OPTION 1

**To avoid back injury or for style, some dancers will swing their heels apart slightly and click them together on Count 18**

## OPTION 2

**Some dancers have modified this to include a repeat of counts 9 and 10, which increases the total counts to 20. Add these after count 10 above and count each one as one beat of music. Do not do this variation when you are in the middle of a group doing the 18 count version**

**10a: Touch right heel forward**

**10b: Touch right toe back**

## Option 3

## SUBSTITUTE THE FOLLOWING FOR COUNTS 5-8:

- 5-6**          Touch right heel forward, touch right heel forward
- 7-8**          Touch right toe back, touch right toe back
