Begin Again!....and FEEL CRAAAZY!!

****FUN TAG** Optional move to do the break when she says "STOP" w/music 'Crazy' by Britney Spears.**

Happens on the 5th Wall of the dance, on the 2nd set of the step together, body roll, tap&snap, which would be count 27 (don't do body roll, just slide R next to L).

On count 28 you'll do 'STOP' with both feet apart even with your shoulders, hold 4 counts (see it's an E-Z FUN COOL tag), then you continue/finish the last 8 counts (which is the BIG Step back counts 33-40) and ready to start to top of the dance again, which is when the song starts with 'You drive me Crazzzz..zy' and do the dance until the music ends.

ENJOY!!.....and "GOTTADANCE!!!
