Count: 32 **Wall:** 2 **Level:** Beginner / Improver

Choreographer: Judee Curtis (Revised 4/23/14*)

Music: "Hotel California" by the Eagles

Original song: "Hotel California" by the Eagles = good "teach" song, 6:31 min.

We found and love doing this dance to: "Sky Full of Angels" by Reba McEntire.

Revision date inspiration: April 23 in 1962* at the age of 44, my daddy, Roy passed away.

Most of my close family members have gone to be with him. I really do think I have a "Sky Full of Angels" watching over me, especially through some real "hiccups" in my lifetime.

Both songs can be purchased from iTunes.
