Hesitate, if needed, so you are on count 13 when the beat kicks back in.

Continue to dance through count 25 (left toe touch). You will be facing 3:00. Then add a quick:

“Step left in place (bend arms at elbows with hands in front of chest snap fingers), $\frac{1}{4}$ Turn left point right to right side (arms extended to sides with open hands)”

You are now facing 12:00. Hold this position until drum roll is complete. On final 2 quick beats:

“Hitch right knee (snap fingers in front of chest), Point right to side (arms extended to sides).
