#### **Technical Notes**

**Use CBM (Contra Body Motion) on all Twinkles and Sailors.**

**Use footwork and other techniques, as appropriate for the respective ballroom Waltz figures, e.g. long gliding forward steps with heel lead, lowering and rising for the Chasse, etc.**

**Kick (S3. Count 1-3). For a more stylish Develope, bend L knee slightly (for stability), i.e. do not straighten leg completely after lowering on 1.**

**While rising on 2, raise knee first before doing a quick flicking kick (using toe) on Count 3, not before.**

**Open Reverse Turn (S5. Counts 1 to 3) Footwork - H-T, T, T-H. Rising until Count 3.**

**Whisk. Footwork is T, T, T.**

**WEAVE (S5). This is not the usual line dancing Weave, but the ballroom Weave. Clock directions given are not exact. Check video or ballroom reference. First step of WEAVE, rotate upper body to L as soon as R starts to move back and pivot  $\frac{1}{4}$ . Second step. Continue the turn to L when L foot steps forward and pivot another  $\frac{3}{8}$ . Keep thighs close with these pivots. Strong CBM from the end of third step and also for fourth step of this WEAVE.**

**$\frac{1}{2}$  TURN (S8). Step 1, strong CBM. Step 2, make a smooth turn, Step 3 Keep body weight on R foot but continue turn shoulders slightly to face wall [6:00].**
