5-8 Cross R over L, step L back, step R to R side, step L together.

Easy Beginner version is called HULI HULI CHOOKS, and the stepsheet is available online. When danced together as split floor dances, beginners will be doing the first 32 counts only to all 4 walls whilst Improvers will have the extra last 4 sections of 32 counts on both side walls. Both groups will therefore be doing the same steps at the front and back walls only. Hope you have fun with this dance !! ?
