5-6 Right step back at 45 degrees angle right, left lock step across right

7-8 Right step back at 45 degrees angle right, left stomp next to right with weight

REPEAT

TAG

HEEL/TOE SWIVELS

Make a slow $\frac{1}{4}$ turn left as you do these heel/toe swivels

1-2 Swivel heels left starting $\frac{1}{4}$ turn left, swivel toes left continuing turn

3-4 Swivel heels left continuing turn, swivel toes left finishing turn

Drop these 4 counts on every chorus. To match the song's phrasing, do the 36-count dance twice, then drop the tag for the next two repetitions (two walls of 32 counts each); keep doing this pattern throughout the song
