**7&8&** Step back on Right, step Left beside Right, step forward on Right, step Left beside Right

**\*\*Extras to be added here\*\***

**START AGAIN.....AND SMILE!!!!**

**\*\*EXTRAS\*\***

**To keep the phrasing in the music you need to add 2 walks forward (step forward Right, step forward Left) after count 16 on walls 1& 4 and also at the end of the dance on walls 1,2,4,5 & 6. On wall 8 the music will s-l-o-w right down so just s-l-o-w down with it and pause slightly after count 24**

**continuing with count 25 when the music kicks back in - you will be facing 3 o'clock when this occurs.**

**There is 1 restart required also which falls after count 16 (the rocking chair) - you will be facing 3 o'clock when this occurs.**

**To break it down;**

**Wall 1 - both extras**

**Wall 2 - just 2nd lot of extras**

**Wall 3 - restart**

**Wall 4 - both extras**

**Wall 5 - just 2nd lot of extras**

**Wall 6 - just 2nd lot of extras**

**Wall 7 - s-l-o-w down**

**Wall 8 - finish after count 26 (Right lock step facing front wall)**

**It seems an awful lot but the music will take you where you need to be -**

**ENJOY!!!!**
